ANONYMOUS QUESTIONNAIRE

Dear students,

Through the present questionnaire the academic governing bodies of the European Polytechnical University would like to find out how you evaluate your studies. The questionnaire covers each individual discipline and follows the requirements of the Higher Education Act, Art. 6., par. 4. which requires the education quality to be controlled by means of «a survey of students' opinion». Our only aim is to improve the quality of the teaching and learning process and your grading. The questionnaire is anonymous. Please be honest and accurate in your evaluation. Put an X in the square which is closest to your opinion.
